# The Ukrainian-English Collocations Dictionary

Yuri I. Shevchuk

*A groundbreaking new Ukrainian language resource!*

The *Ukrainian-English Collocations Dictionary* provides the core Ukrainian lexicon as it is used in contemporary speech. This dictionary has no precedents in Ukrainian and Slavic lexicography and combines elements of six types of dictionaries: translation, collocations, learner's, thesaurus, phraseological and encyclopedic dictionaries.

The *Ukrainian-English Collocations Dictionary* will be useful to Ukrainian language learners of all levels (elementary, intermediate, advanced and superior), Ukrainian language instructors and instructors of theory and practice of translation, Ukrainian-English and English-Ukrainian translators and interpreters, comparative linguists, lexicographers, researchers, business people, journalists, and anyone with an interest in the Ukrainian language. It is an irreplaceable resource for Ukrainian-speakers who study English and native speakers of Ukrainian who wish to perfect and enrich their Ukrainian.

Includes:

- Over 9,000 entries that comprise the most frequently used Ukrainian lexicon
- More than 200,000 word collocations
- 80,000 illustrative examples, including common Ukrainian idioms and their English equivalents
- A comprehensive introduction to the Ukrainian language and grammar
